

Seventy-Five Years of Excellence

The challenge of providing exceptional pre-hospital care continues to be difficult as expenses rise & our community struggles with a national financial & staffing crisis.

For 2022, we have worked with our municipal leaders to support our greatest resource, personnel. Through additional funding mechanisms, we are slowly achieving our goal, but your help is also needed. For 2023, there is a modest increase in membership fees. This increase is intended to support rising expenses due to hospital closures, equipment costs and competitive compensation for our providers.

Elverson – Honey Brook Area EMS is designated as a 501 (c) 3 non-profit organization and receives approximately 15% of its operating budget from municipal donations. Please see our website for additional information, including tax statements and our annual report coming in the Summer of 2023.

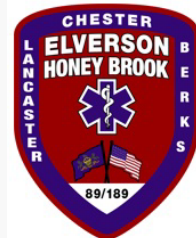

Dear Friend & Future Member,

As our community continues to recover from the events of 2020, hospital closures & our national financial crisis, we continue our commitment to you and your family as we start our seventy-fifth year of service. We again thank you for your generous support of our annual membership drive and your charitable donations earmarked for the upgrading of our vehicle fleet.

As we close out 2022, we continue to serve the communities of Southern Berks, Northwestern Chester & Eastern Lancaster Counties. Responding to over 2,500 emergency calls per year, the volunteers and career professionals of our organization fulfill the vital need of providing emergency medical services to our community members in their time of need.

We thank you for your support !!!!!!!
